CMS works closely with the Louisiana Enrollment Partnership

- Bi-weekly meetings
- Topics include
  - Information sharing
  - Coordinating enrollment events, including staffing

Key partners include:
- Southwest Louisiana AHEC
- 504 HealthNet/City of New Orleans Health Department
- Louisiana Primary Care Association
C2C is an effort to help educate consumers about their new coverage and to connect them with primary care and preventive services that are right for them so they can live long, healthy lives.

Resources online and in print include the Roadmap, Discussion Guide, videos, and more.

C2C builds on existing networks of community partners to educate and empower newly covered individuals.
