DECLARATION OF EMERGENCY
Department of Insurance
Office of the Commissioner

Emergency Rule 47—Suspension of Certain Statutes Regarding Cancellations, Terminations, Non-Renewals, and Nonreinstatements, Premium Payments, Claim Filings and Related Provisions Regarding Any and All Insurance Matters Affecting Insureds in Louisiana Caused by the State of Emergency Declared by Governor John Bel Edwards on August 26, 2021, Due to Hurricane Ida

On August 26, 2021, President Joseph R. Biden declared a State of Emergency in Louisiana due to the devastation caused by Hurricane Ida and its aftermath. Contemporaneously, Governor John Bel Edwards declared a State of Emergency in Louisiana for the same reasons. Furthermore, President Joseph R. Biden invoked the Stafford Act and declared a national emergency regarding Hurricane Ida and its aftermath which has caused devastation to the lives and property of the citizens of Louisiana, and the residual effect of that storm poses a significant risk to the health, safety and welfare to a substantial number of the citizens of our state.

The Department of Insurance hereby exercises the emergency provisions of the Administrative Procedure Act, R.S. 49:953.1, as further specified by R.S. 22:11, and pursuant to the authority granted by R.S. 22:1 et seq., adopts, maintains, and continues in effect Emergency Rule 47 until October 24, 2021, unless terminated sooner, which is issued to address the statewide public health emergency declared to exist in the state of Louisiana. Emergency Rule 47 became effective August 26, 2021, and shall continue in effect until October 24, 2021, unless terminated sooner, as allowed under the Administrative Procedure Act. Proclamation No. JBE 2021-165 issued on August 26, 2021 by Governor John Bel Edwards declared a State of Emergency extending from August 26, 2021, through September 27, 2021, unless terminated sooner, and Proclamation No. JBE 2021-178 effective on September 25, 2021 extended the State of Emergency through October 24, 2021, unless terminated sooner.

Emergency Rule 47 is issued to address the devastation caused by Hurricane Ida and its aftermath that has created emergency conditions threatening the health, safety and welfare of the citizens of Louisiana who are insureds and who either reside in or have insured property located in one of the following twenty-five (25) parishes, to wit: Ascension, Assumption, East Baton Rouge, East Feliciana, Iberia, Iberville, Jefferson, Lafourche, Livingston, Orleans, Plaquemines, Pointe Coupee, St. Bernard, St. Charles, St. Helena, St. James, St. John the Baptist, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, Washington, West Baton Rouge, and West Feliciana. Emergency Rule 47 is issued under the authority of the Commissioner of Insurance for the State of Louisiana, pursuant to the following: Proclamation No. JBE 2021-165 issued on August 26, 2021 by Governor John Bel Edwards declaring a State of Emergency extending from August 26, 2021, through September 27, 2021; Proclamation No. JBE 2021-178 issued on September 24, 2021 extending the State of Emergency through October 24, 2021 unless terminated sooner; and R.S. 22:11.

Accordingly, Emergency Rule 47 shall apply to any and all types of insurers as set forth in R.S. 22:48, and any and all kinds of insurance as set forth in R.S. 22:47, including, but not limited to all property and casualty insurers, all life insurers, all annuity insurers, and all health maintenance organizations (HMOs), managed care organizations (MCOs), preferred provider organizations (PPOs), pharmacy benefit managers (PBMs), and third party administrators (TPAs) acting on behalf of an HMO, MCO, PPO, and any and all other insurance related entities licensed by the commissioner or doing business in Louisiana (collectively known as “health insurance issuers”) and their insureds, policyholders, members, subscribers, enrollees and certificate holders.

Hurricane Ida and its aftermath has created a mass disruption to the normalcy previously enjoyed in Louisiana and is an immediate threat to the public health, safety, and welfare of Louisiana citizens. To minimize these threats, the State of Louisiana has had to impose significant measures that will certainly have a negative economic impact on the state, resulting in financial hardship for the citizens of Louisiana regarding all matters related to all types of insurers and all kinds of insurance and threatening access to adequate insurance coverage following an event of this magnitude when such insurance coverage is especially important. In order to respond to the ongoing emergency and to protect and safeguard the public health, safety, and welfare of the citizens of this state, it is necessary to issue Emergency Rule 47.

After the first month of the grace period has lapsed, the health insurance issuer may deny payment on pended claims for services rendered to the insured during the period of nonpayment.

A. Those insureds entitled to the benefits, entitlements and protections of Emergency Rule 47 are advised that this suspension is not a waiver, but only an extension or grace period to facilitate your payment of the premium.

C. Insurers are directed to work with and assist their affected insureds who reside in the impacted parishes with the payment of the premium that would have become due during this moratorium period by either establishing for the insured a payment plan for the unpaid premium or providing to the insured a further extension for the payment of the unpaid premium.

Furthermore, the suspension provided for in §4719.A shall be automatically lifted and all applicable timely payment requirements reinstated upon the date of the payment of premium.

A. In the event a health insurance issuer pends a claim, as permitted pursuant to §17931, and is subsequently entitled to cancel or terminate a policy for nonpayment of premium, the health insurance issuer shall pay any remaining claims for which payment is required under §17931.B. For all other insurers, as specified in §4701.B, Emergency Rule 47 shall not affect the right of any insurer to file for and/or implement a new rate or premium for any insurance policy for the types of insurance enumerated in §4703.A if the new rate or premium has been approved by the commissioner.

§4743. Sixty Day Period to Initiate Adjustment of Property Claims

A. In accordance with R.S. 22:1892(A)(3), Hurricane Ida and its aftermath qualifies as a catastrophic loss event that requires insurers to initiate loss adjustment of a property damage claim within thirty (30) days after notification of loss by the insured claimant.

B. In furtherance of R.S. 22:1892(A)(3), the severity of the devastation caused by Hurricane Ida and its aftermath qualifies for an additional 30 days for insurers to initiate loss adjustment of a property claim after notification of loss by the insured claimant.

C. Therefore, insurers shall have a total of 60 days to initiate loss adjustment of a property damage claim after notification of loss by the insured claimant.

D. This declaration is based on the representation that the additional time period is necessary due to the large volume of claims resulting directly from Hurricane Ida and its aftermath, and with the admonition that insurers will promptly identify, evaluate, and resolve these claims. Insurers must continue to provide timely service to their insured claimants by promptly acknowledging receipt of claims and making appropriate assignments for the adjustment of claims.

NOW THEREFORE, I, JOHN BEL EDWARDS, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

SECTION 1: Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, et seq., a state of emergency is hereby declared to continue to exist in the State of Louisiana as a result of the threat to lives and property of the citizens of the State of Louisiana created by the emergency conditions in the aftermath of Hurricane Ida.

SECTION 2: The Director of the Governor's Office of Homeland Security and Emergency
Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law that he deems appropriate in response to this declaration.

SECTION 3:

A) Pursuant to the La. R.S. 29:732, during a declared state of emergency, the prices charged or value received for goods and services sold within the designated emergency area may not exceed the prices ordinarily charged for comparable goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

B) Pursuant to La. R.S. 29:724(D)(1), the Louisiana Procurement Code (La. R.S. 39:1551, et seq.) and Louisiana Public Bid Law (La. R.S. 38:2211, et seq.) and their corresponding rules and regulations are hereby suspended for the purpose of the procurement of any good or services necessary to respond to this emergency, including emergency contracts, cooperative endeavor agreements, and any other emergency amendments to existing contracts.

C) Pursuant to La. R.S. 29:724(D)(1), the provisions of La. R.S. 39:126 regarding prior approval of change orders are hereby suspended.

SECTION 4: UNEMPLOYMENT INSURANCE

A) For the purpose of this Proclamation, "disaster-related claims" shall mean claims for unemployment compensation filed by persons whose unemployment is directly due to the effects of Hurricane Ida or due to their inability to get to their job or worksite because they live, work or travel through a disaster parish, as determined by the administrator of the state’s unemployment compensation program, i.e., the Secretary of the Louisiana Workforce Commission. Disaster-related claims will not necessarily include all claims in all parishes included in the flooding disaster proclamations, declarations, or orders.

B) The following statutes relative to unemployment insurance, to the extent and in the manner described below, are hereby suspended:

1) La. R.S. 23:1533, which provides for claimants’ benefits to be charged against base period employers for purposes of employers’ tax experience rating and the protesting of such charges by employers, shall be suspended for disaster-related claims made during the effective period of this proclamation.

2) La. R.S. 23:1552, which provides for the charging of claimants’ benefits to certain employers, shall be suspended for disaster-related claims made during the effective period of this proclamation.

3) La. R.S. 23:1600(2) and (3) shall be suspended while this proclamation is in effect for disaster-related claims to the extent that they require claimants to register and search for work. However, the requirements in La. R.S. 23:1600(2) that claimants continue to report at an employment office in the manner prescribed by the administrator are not suspended. The requirement of La. R.S. 23:1600(3) that claimants be able to work and be available for work are not suspended. The requirement to continue to report at an employment office, which is accomplished through either an automated telephone system or the Internet, is not impractical and avoids overpayments, which claimants would be liable to repay. In the immediate aftermath of Hurricane Ida the suspended requirements are not practical for claimants without fixed temporary or permanent housing and verification of such activities is not
practical in many areas affected by Hurricane Ida.

4) La. R.S. 23:1600(4) shall be suspended while this proclamation is in effect for claims to the extent that claimants are required to wait a period of one week before receiving benefits. The state is experiencing emergency needs throughout the state for critical resources. This need is not in only the declared disaster areas.

5) La. R.S. 23:1601(1), (2) and (7)(a), (b) and (d), which provide certain disqualifications for otherwise eligible claimants, shall be suspended for disaster-related claims beginning while this proclamation is in effect. Regardless of the waiver of La. R.S. 23:1601(7), the requirement in La. R.S. 23:1600, that a claimant be "unemployed" as defined in La. R.S. 23:1472(19), is not waived. Persons who are paid by their employers, but who performed no services for the week(s) paid, are not unemployed and therefore are not eligible to receive unemployment benefits for any such week. Also, this suspension shall not affect the offset of wages from a claimant's weekly benefit amount pursuant to La. R.S. 23:1593.

SECTION 5: The provisions of La. R.S. 40:2116(D)(2) are hereby suspended for the purpose of allowing the Secretary of the Department of Health, at her discretion, to establish such protocols, policies, and procedures as to allow a licensed nursing facility which accepts or receives evacuated residents to temporarily exceed its licensed bed capacity in the event of a declared emergency. The Secretary of the Department of Health may establish such protocols, policies, and procedures without strict compliance with the requirements and provisions of the Administrative Procedure Act.

SECTION 6: A) Louisiana state licensure laws, rules, and regulations for medical professionals and personnel are hereby suspended for those medical professionals and personnel from other states or other countries offering medical services in Louisiana to those needing medical services as a result of this disaster provided that said out-of-state or out-of-country medical professionals and personnel possess a current medical license in good standing in their respective state or country of licensure and that they practice in good faith and within the reasonable scope of his or her skills, training, or ability.

B) All out-of-state or out-of-country medical professionals and personnel offering services in the State of Louisiana by authority of this Order shall continue to submit to the State Health Officer, or his designee at the Office of Public Health within the Louisiana Department of Health a copy of their respective professional license and photo identification, together with any other forms or documents the State Health Officer may require, by contacting the Office of Public Health.

SECTION 7: IDA ESSENTIAL WORKER LODGING

Hotels, motels, and other places of lodging shall, to the extent practical, accommodate and prioritize lodging for the following workers responding to this emergency: (a) first responders as defined in La. R.S. 29:739(C); (b) health care workers; and (3) individuals performing disaster or emergency-related work to critical infrastructure as defined in La. R.S. 47:53.5(B). Hotels, motels, and other places of lodging are hereby authorized to cancel any reservations which would result in the displacement or eviction of any such workers.

SECTION 8: All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this severe weather event.

SECTIONS 9: This order is effective upon signature and shall remain in effect from Saturday,
September 25, 2021 to Sunday, October 24, 2021, unless terminated sooner.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 24th day of September, 2021.

[Signature]
